

Transformational Coaching For Corporations

BREAK BARRIERS AND REDEFINE WHAT'S POSSIBLE

Consulting for a Cause brings together SynergyLoft's strategic business transformation expertise and Heroes Unleashed's human transformation coaching.

We believe that empowered, healthy individuals form the foundation of resilient organizations and effective leadership. This service is not just about traditional business consulting —it's about putting people first to catalyze positive change. It's about empowering and optimizing your most valuable resource, people.

Benefits

- **Increased Performance and Productivity**
- **Higher Engagement and Retention Rates**
- **Reduced Sick Days and Burnout**
- **Enhanced Leadership and Positive Impact on Culture**
- **Unified Teams with a Shared Vision**
- **Improved Delivery of Mission-Critical Programs**

What to Expect as an Individual and a Team

- **Introductions:** This is where we connect, align, and ensure our partnership is the right fit to achieve your desired outcomes.
- **Discovery Session:** Together, we'll dive into your current situation, uncover obstacles, and identify your aspirations for the future.
- **Goal Setting:** We'll collaborate to define meaningful goals that resonate with your core values and vision.
- **Action Plan:** You'll receive a tailored action plan with clear, practical steps designed to ignite your transformation.
- **Execution:** The transformation begins here. We'll work together to implement the plan, tracking progress and achieving impactful results.
- **Ongoing Support:** With regular check-ins, guidance, and real-time adjustments, we'll tackle challenges and ensure you stay on course.
- **Adoption:** Every journey is unique. We provide continued support for as long as needed, ensuring your transformation is not only successful but sustainable over the long term.

Access to the Live Free Program

- **Daily Videos:** Actionable steps to integrate into your routine.
- **Expert Facilitation:** Led by Matt Devine.
- **Collaborative Community:** Support and momentum from peers.
- **Resource Library:** Tools and materials to enhance your journey.
- **Anytime Access:** Web and mobile app for convenience.
- **Mindset Activation:** Simple, effective actions to prime your brain daily.

Time Commitment: 2.5 hrs to 5 hours per week.
Customized and optimized for the individual.
